Dear John:

Regarding the contour lounge chair in my office on which you wanted some information, I find that it is manufactured by the Contour Chair Company of St. Louis, Missouri, and that it retails for \$200.00. The manufacturer has no dealers in Europe but my people here tell me that delivery of the chair in Spain can be arranged by contacting the Singer Products Company, 15 Moore Street, New York, New York.

It was certainly good seeing you and I hope that we can have an early opportunity to get together again.

With kindest personal regards.

Sincerely,

Signed

Allen W. Dulles
